SAVE THE DATES! - Friday, September 10th and Saturday, September 11th. If these dates are open, or even partially open, our pastors and Evangelism Team leadership encourage you to put "Praise & Proclaim" on your calendars for Friday evening and Saturday morning & afternoon. Dave Malnes from Praise & Proclaim Ministries will be training us in how to simply and comfortably share our faith with others, and then we will be going out into our neighborhoods to put that training into practice. Dozens of our seminary students from Wisconsin Lutheran Seminary in Mequon will be joining us for the experience as well and helping us to reach out to our neighbors.

ALTAR FLOWERS - Thank you to Tim and Kim Pruss for providing the flowers beautifying our altar today in celebration of their wedding anniversary. We praise the Lord along with them for the blessings he has poured out on them throughout their married life together and pray for God's continued grace in the years to come.

VOLUNTEERS NEEDED - Redeemer is hosting the Men's Softball tournament this year in Lomira. The tournament is August 7th & 8th. They will need help with concessions and baked goods. There is a sign-up sheet on the bulletin board.

FORWARD IN CHRIST – The latest issue of *Forward in Christ* magazine is available in the church gathering area at the office window. The official magazine of our Wisconsin Synod includes stories of faith and articles that address important issues facing Christians today.

---------- **FROM WLA'S JULY NEWSLETTER** ----------

(If you'd like to receive the monthly WLA email newsletter, send an email to news@wlavikings.org.)

INTERNATIONAL STUDENTS - Currently, we have ten students from seven countries (other than the US) registered for the 2021-22 school year at WLA. More students applied, but we were unable to accept them due to a lack of host families. We'll have students from South Korea, Italy, France, Germany, Japan, Russia, and Spain at the Academy in the fall. Two students from South Korea live at UW-Oshkosh with Central Boarding Academy.

All the students are excited to come to America, make new friends and learn at WLA. While regular outings were somewhat limited last year due to COVID, we were able to participate in a few local things like drive-through Christmas light displays; private movie showings, etc. This year we're looking forward to returning to our usual monthly activities that include trips to Door County and the annual fall trip to Milwaukee.

Historically we have last-minute applications for the fall semester and even applications for students who'd like to come for the second semester. If you're interested in hosting a student from another country or have questions, please get in touch with Kristin Mose, our International Student Coordinator at kmose@wlavikings.org
